

## ANNOUNCEMENT AND CALL FOR ABSTRACTS

### THE 41st ANNUAL SCIENTIFIC CONFERENCE, 2025

#### **Theme: Advancing Public Health in Tanzania: Innovations, Equity and Resilience amidst Emerging Challenges and Opportunities**

The Tanzania Public Health Association announces its 41st Annual Scientific Conference to be held in Dar es Salaam, Tanzania from November 24- 27, 2025. The goal of this Scientific Conference is to facilitate communication between public health practitioners, scientists, trainers, policy makers, donors, students, media, private sector and the general public. The conference will feature speakers discussing the latest public health issues highlighting the need for innovative approaches to address optimization of public health interventions and services in Tanzania as we accelerate efforts towards universal health coverage. The conference theme is “**Advancing Public Health in Tanzania: Innovations, Equity and Resilience amidst Emerging Challenges and Opportunities**”. In addition, this Conference will cover public health relevant topics under five (5) Sub-themes.

1. Demographic Transitions, Urbanization, and Ageing: Implications for Health Systems
2. Emerging and Re-emerging Diseases: Strengthening Preparedness through a One Health Approach
3. Injury Prevention and the Public Health Burden of Accidents and Violence
4. Tackling Social and Environmental Determinants of Health to Reduce Inequities
5. Sustainable Health Financing and Human Resources for Health in times of financial uncertainty

**Date: November 24- 27, 2025.**

**Venue:** TBD, Dar es salaam, Tanzania
