

TANZANIA PUBLIC HEALTH ASSOCIATION
(Chama cha Afya ya Jamii Tanzania)

ANNOUNCEMENT AND CALL FOR ABSTRACTS

**40th Tanzania Public Health Association Annual Scientific Conference
&
Annual General Meeting**

**Theme: “Optimizing Public Health interventions and services in Tanzania:
Opportunities and challenges”**

November 21-24, 2023, Morogoro, Tanzania

Background

The Tanzania Public Health Association announces its 40th Annual Scientific Conference to be held in Morogoro, Tanzania from November 21- 24, 2023. The goal of this Scientific Conference is to facilitate communication between public health practitioners, scientists, trainers, policy makers, donors, students, media and the general public. The conference will feature speakers discussing the latest public health issues highlighting the need for innovative approaches to address optimization of public health interventions and services in Tanzania as we accelerate efforts towards universal health coverage. The conference theme is *“Optimizing Public Health interventions and services in Tanzania: opportunities and challenges”*.

In addition, this Conference will cover public health relevant topics under Seven (7)

Sub-themes

1. Strengthening public health systems through good governance, human resource for health and innovation
2. Equity and social determinants of health
3. Emerging and re-emerging diseases and one health approach
4. Quality improvements in health care service delivery at facility and community level
5. Reproductive, child, maternal and adolescent health; school health
6. Non communicable disease and Mental Health
7. Health care financing, health insurance, public–private partnership and self-care
